

Project Success Coalition Hosts the Dr. Martin Luther King, Jr. Breakfast and Unity March

OGDEN, Utah - Project Success Coalition, in partnership with the NAACP is hosting the Dr. Martin Luther King Jr. Breakfast and Unity March on Jan. 15, with Alpha Phi Alpha Fraternity Senior Director Denny N. Johnson as the keynote speaker at Union Station.

The Dr. Martin Luther King Jr. Breakfast and Unity March is being hosted to honor Dr. King and celebrate Dr. Martin Luther King Jr. Day and is part of the Dr. King Week of Remembrance. The theme this year is “Non-Violence: It Starts With Me - Spreading, Hope, Courage and Unity” and will be from Jan. 15 - Jan. 18.

Keynote Speaker Denny N. Johnson is the senior director of the Alpha Phi Alpha Fraternity, headquartered in Baltimore, MD. His civic engagement and service to the community has gained him the U.S. Presidential National Volunteer Service Award for serving families and the youth, as well as the Elliot Hair Award for Outstanding Leadership & Mentoring Efforts in Washington, D.C.

The Dr. King Week of Remembrance is part of a movement by the King Center to create “The Beloved Community.”

“The question “where do we go from here?” is just as relevant now as it was when asked by Dr. King decades ago. Dr. King promoted “The Beloved Community”, incorporating the principles of nonviolence. This value was carried forward with Mrs. Coretta Scott-King, and continues with his family and the King Center. The big question before all of us today is “what kind of community are you trying to build or create? Love or hate? Unity or division?” said Ms. Betty Sawyer, founder of Project Success Coalition.

The event is in collaboration with Weber State University, Ogden Recreation and the Ogden branch of the NAACP for the first time. The event will be held at Union Station from 9-11 a.m. The march will be from Union Station to the Ogden Amphitheater.
